JIFRAM ANNOUNCES THE ADDITION OF A REP GROUP ON THE WEST COAST

James Fischer, CEO of Jifram Extrusions, Inc., a Midwest plastic extrusions manufacturer, announced the addition of Harker & Associates, Inc. to their list of plastic extrusion representatives.

Harker & Associates, Inc., established in 1990, is a four-person manufacturer's representative company serving customers in the plastics industry. The organization is comprised of Ron Harker, Cate Tedford, Cameron Watt and Justin Hatfield.

The company, headquartered in San Jose, California, covers a large territory which includes: California, Arizona, Hawaii, Nevada, Oregon, Washington, Colorado, Utah, Idaho, Wyoming and British Columbia.

Harker's extensive experience in the plastics industry enables Jifram Extrusions, Inc. to expand their reach and provide full line service to customers in the Western U.S. and Canada.
